
Prevention Action Alliance

Lifetime Prevention | Lifetime Wellness

Speakers' Bureau Member Profile

Prevention Action Alliance is looking for innovative and engaging presenters to join our speakers bureau and to provide a platform for all kinds of prevention topics.

If selected, you'd have the opportunity to present on behalf of PAA across the state and in the Matthew B. Schoonover Educational Center at PAA. Presenters will be compensated for their time and expertise when selected to present. In addition to being compensated, you'll be able to improve the knowledge and competency of prevention professionals around Ohio and increase your profile as a trainer and presenter.

All applications will be reviewed by staff at Prevention Action Alliance, and all applications will be considered confidential. Accepted applicants will be contacted for interviews.

Once you've completed the application, please email it to PAA Training Director Krysta Bennett at KBennett@PreventionActionAlliance.org. Please feel free to email Krysta with any questions you may have as well.
