# SAMSHA's Strategic **Prevention** Framework

**GUIDING PRINCIPLES** 

**Cultural competence** 

be inclusive and engage in a culturally appropriate manner

**Sustainability** 

Ensure that programs work for years to come

> Prevention Action Alliance

#### **ASSESSMENT**

Assess the problem and related behaviors

What is the problem?

#### **CAPACITY**

Develop and strengthen a prevention team.

What do we have to work with?

## **IMPLEMENTATION**

**EVALUATION** 

Evaluate the process and outcomes.

Is our plan succeeding?

Evaluate the process and outcomes.

How do we implement our plan?

### **PLANNING**

Create a plan and logic model.

What should we do?

Planning.
