

COALITIONS RISING

Prevention
Action Alliance
Lifetime Prevention | Lifetime Wellness

Coalitions Rising is part of a series of knowledge-building learning opportunities to deliver the most current prevention science and workforce development education to coalition leaders. Coalition leaders across the nation will enhance their knowledge, skills, and abilities, and bolster the statewide coalition infrastructure. Last year's attendees spanned over 34 states!

A QUOTE FROM
COALITIONS RISING 2024:

"Amid rising mental health challenges in rural communities, we must break barriers like stigma and access to care. By recognizing signs, reaching out, and sharing resources, we can support those navigating the unique stresses of farming life."

Bridget Britton, MSW, LSW

Session 3: Understanding Stress and Suicide in Rural Ohio Communities

Event Details: January 14, 2026
